The Peace and Joy of Jesus Christ is with us all!

Globally, the BLD Covenant Community is part of the Roman Catholic Church. It does not exist as an independent entity but functions through the blessing of the local Diocese/Archdiocese. The BLD Covenant Community is also a member of organizations which are linked up to the local or Episcopal Council of the Laity and to the Pontifical Council of the Laity.

We remind all our BLD Districts that aside from our own missions, we should endeavor to work or participate in the mission of the local Diocese/Archdiocese where the BLD District is situated. We should always remember that a BLD District is part of the Parish or Diocese where we are. Active participation, regular tithes and love offerings to the Bishop by our District are ways we can work with our Parish/Diocese.

We therefore send this paper on **BLD Linkage to the Roman Catholic Church**.

We request that the paper be reprinted and distributed to all your members.

Thank you. God bless us all!
